

*Our Co-Ed summer enrichment programs allow students the opportunity to foster their interests and talents while stimulating their minds and exercising their bodies. Conveniently located on the beautiful and historic Lauralton Hall campus, your camper will be taught by qualified adults in our air-conditioned facilities while maintaining a 1:4 counselor to student ratio.*

## Kindergarten – First Grade

### Animal Planet

Allow your camper the opportunity to explore our world and the animals we share it with! Through stories, games, activities and crafts, campers will learn about different environments and the animal that inhabit them! Campers will go home with an original informational book on animals along with a variety of crafts.

**Session 2: July 3rd - 7th** 9 am - 1 pm

**Session 5: July 24th - 28th** 1 pm - 4 pm

### Bug's Life

Is your child fascinated with bugs? Allow them a week to learn more about the creepy crawly creatures we share our environments with! Campers will read stories and learn songs about different bugs daily. Each day, arts and crafts projects will reflect the bugs studied, and allow campers to express themselves creatively. Campers will hunt around the Lauralton campus to identify and record their findings!

**Session 4: July 17th - 21st** 9 am - 1 pm

### Cooks with Books

Campers will enjoy a variety of well-known books and participate in a variety of correlating cooking activities. Your little chef will learn how to measure, follow a recipe and so much more! Each day will bring a new set of activities and recipes all related to the theme of the day! Campers will not only enjoy the classics, but they will leave each day with handmade treats and end the week with a personalized cookbook and homemade chef's hat!

**Session 7: August 7th - 11th** 1 pm - 4 pm

### Construction Kids!

This NEW course is designed for children who love to build. This week gives campers the opportunity to use their imaginations while working with a variety of materials. Clay, cardboard, cans and so much more! Children will work on individual projects and join a crew of fellow campers to create group masterpieces.

**Session 5: July 24th - 28th** 9 am - 1 pm

## Junior Paleontologists

Allow your camper to explore the fascinating world of Dinosaurs in this NEW course. Campers will participate in a variety of games and activities to learn more about these extinct creatures. Counselors will prepare books and thematic lessons each day to allow campers to express their creativity while learning!

**Session 6: July 31st - August 4th** 9 am - 1 pm

## Junior Scientists

Give your child the opportunity to learn about science through our interactive and hands on science activities! Campers will explore static, buoyancy and much more! Campers will learn thematically about the practical world of science, allowing them to stimulate their curiosity and interest.

**Session 3: July 10th - 14th** 9 am - 1 pm

## Lauralton Spirit Squad

Lauralton Hall Cheerleaders along with our head instructor will guide your child on the proper techniques for cheering, including basic tumbling and team building. Let your child have some fun and learn new cheers with members of the Lauralton Hall Cheerleading team! Camp will end with a Friday performance of your child's new skills and confidence!

**Session 4: July 17th - 21st** 9 am - 1 pm

## Under the Sea

The ocean is an exciting place full of secrets. Through this weeklong class, campers will learn about the ocean and its animals through stories, games, activities and crafts. Campers will learn about how to protect the ocean and will bring home an original book, along with a variety of crafts.

**Session 7: August 7th - 11th** 9 am - 1 pm

## Second - Fourth Graders

### Art-tastic!

Back by popular demand, this course will allow your campers to work on a variety of projects over the course of the session and will be provided the opportunity to express themselves through clay modeling, paper mache, painting and so much more. Projects differ each week to keep your camper engaged for a full summer of fun!

**Session 6: July 31st - August 4th** 9 am - 1 pm

### Baking: Breads, Scones and Sweets

Through this NEW course, campers will make a variety of delicious baked goods, from scones, cakes, breads, cupcakes, cookies and more! Campers will also be exposed to a variety of techniques and different recipes. Your child will come home daily with delicious treats along with a personalized cookbook!

**Session 2: July 3rd - 7th** 1 pm - 4 pm

### Brain Games

Playing is a great way for children to learn. If your child enjoy puzzles and word games, this course is a great way to give your students brains a work out. Campers will explore puzzles and complete challenges while developing skills such as logical reasoning and lateral thinking. Through board games, puzzles, word games, and electronic games, your child is guaranteed to have fun!

**Session 1: June 26th - 30th** 1 pm - 4 pm

**Session 5: July 24th - 28th** 1 pm - 4 pm

### Creative Chemistry

In this popular course, campers are encouraged to get messy while having fun exploring the world of science. Throughout the week, campers will make their own playdough, learn how different materials react to each other and so much more! This hands on course will give campers a practical look into the field of chemistry.

**Session 3: July 10th - 14th** 9 am - 1 pm

**Session 6: July 31st - August 4th** 9 am - 1 pm

**Our camp is unique because it allows you the flexibility of customizing your child's summer experience based on their interests while having fun in a safe environment.**

## Creative Cupcakes

Through this course, your little baker will learn a variety of cupcake recipes including homemade frosting. Students will learn the importance of measurements and kitchen safety. Your baker will come home with a variety of cupcakes and frosting concoctions daily! At the end of the week, each camper will go home with a personalized cookbook and a handmade cupcake tower.

**Session 4: July 17th - 21st** 9 am - 1 pm

**Session 6: July 31st - August 4th** 9 am - 1 pm

## Crusaders Cheerleaders

Lauralton Hall Cheerleaders along with our head instructor will guide your child on the proper techniques for cheering, including tumbling and team building. Let your child have some fun and learn new cheers with members of the Lauralton Hall Cheerleading team! Camp will end with a Friday performance of your camper's new skills and confidence through a variety of cheers and routines!

**Session 4: July 17th - 21st** 9 am - 1 pm

## Escape the Room!

In this NEW and exciting program, campers will participate in live action, team-based games where they discover clues, solve puzzles and accomplish tasks in one or more rooms to accomplish a specific goal! This program is guaranteed fun and will help foster your camper's creativity, problem solving skills, and communication skills! Campers will attempt to "escape" puzzles daily and will even create their own for their families to try to escape at the end of the end of the week!

**Session 3: July 10th - 14th** 9 am - 1 pm

**Session 5: July 24th - 28th** 9 am - 1 pm

## Hot off the Press!

This course allows your students to become engaged in the writing process. Campers will learn some of the techniques involved with journalism and work throughout the week to create their own newspaper to share with you!

**Session 4: July 17th - 21st** 9 am - 1 pm

**Session 7: August 7th - 11th** 1 pm - 4 pm

## Innovation Station

Through this NEW inquiry based class, campers will get the opportunity to create solutions and test them in daily engineering challenges in our NEW innovation lab! Campers will explore the fascinating yet practical world of mechanical, electrical and civil engineering. Using 3D printers, circuits and so much, this course is hands on and non-stop fun! Through individual and group challenges, campers will strengthen their problem solving skills by building bridges, saving pets from burning buildings, and creating marble coasters, just to name a few of the great activities of the week.

**Session 4: July 17th - 21st** 1 pm - 4 pm

**Session 7: August 7th - 11th** 9 am - 1 pm

## International Junior Chef

In this NEW course, your mini chef will be exposed to recipes from around the world. This will provide your camper to learn about different spices, ingredients and cultures from a variety of global locations. Campers will come home daily with treats and your child will leave camp with a cookbook full of the recipes along with a personalized item for the kitchen.

**Session 5: July 24th - 28th** 9 am - 1 pm

## Junior CSI

In this NEW camp, your child will be summoned to various staged crime scenes where they will work on collecting evidence in the hopes of solving a crime. Campers will use biology, chemistry, mathematics and deductive reasoning to learn how to collect and analyze fingerprints, lip prints, conducting hair and hand writing analysis and so much more! In this fun filled educational workshop, your campers will work collaboratively to solve the crime!

**Session 6: July 31st - August 4th** 1 pm - 4 pm

## Junior Master Chef

Each lesson will introduce your chef to a variety of diverse foods while they build their self-confidence and creativity in the kitchen. Campers will be challenged to create variations of recipes and they will bring home daily treats! At the end of this class, your chef will have an original cookbook complete with all the recipes from the week, along with a personalized item for your kitchen!

**Session 1: June 26th -30th** 1 pm - 4 pm

## Junior Robotics

This popular course allows students to work on challenges and to gain collaborative skills! Set in our NEW innovation lab, campers will play with Lego NXT kits, Ozbots, Kinnex and more to complete challenges while working on their creativity and collaboration skills! Give your students an experience of a lifetime by building and programming robots, circuits and so much more!

**Session 3: July 10th - 14th** 1 pm - 4 pm

**Session 5: July 24th - 28th** 9 am - 1 pm

## Mad Scientists

Ever wonder why your hair sticks up when you rub it against a balloon? Or how a magician can suddenly make himself disappear? The answer is always physics! Discover the fascinating and practical world of science! This class will focus on different units of study such as projectiles, forces and energy. At the end of the week, a Physics Olympics will be held in which groups will compete in a variety of challenges!

**Session 2: July 3rd - 7th** 9 am - 1 pm

## Musical Engineering (2nd - 6th graders)

Do you play a musical instrument? Do you love singing? Would you like to record your own music? In this NEW course and using our NEW innovation lab, students will learn the basics of music production, sound engineering, and software editing. This is an interactive and hands-on course designed to give everyone the opportunity to record and produce music that they bring home on a cd.

**Session 1: June 26th -30th** 9 am - 1 pm

## Once Upon A Time

This course encourages children to express themselves creatively through free writing exercises, character development, and other various aspects of storytelling. Activities will be geared toward sparking your child's creativity. Campers will leave this course with a published copy of their original works!

**Session 2: July 3rd - 7th** 9 am - 1 pm

**Session 6: July 31st - August 4th** 9 am - 1 pm

## Perfect Party: Appetizers, Dips and Desserts

Sign up for one of our most popular course! Your chef will learn how to be the ideal host or hostess, learning different ways to prepare appetizers, dips, desserts and more! Your chef will leave our course not only with skills and confidence in the kitchen, but with a cookbook full of our recipes and a hand-decorated serving bowl!

**Session 3: July 10th - 14th** 9 am - 1 pm

**Session 6: July 31st - August 4th** 1 pm - 4 pm

## Video Production 101

Technology has taken over- and through this course, campers will learn different ways to film, edit and enhance their videos! Campers will use our NEW innovation lab that includes a green screen and so much more! Campers work with a group to create, film and edit different skits, short movies, music videos and more. A DVD of the productions will be mailed out at the conclusion of this course.

**Session 3: July 10th - 14th** 9 am - 1 pm

**Session 5: July 24th - 28th** 1 pm - 4 pm

## Fifth - Eighth Graders

### Advanced Music Production

Do you play a musical instrument? Do you love singing? Would you like to record your own music? Using our NEW innovation lab, students will learn the basics of music production, sound engineering, and software editing. This is an interactive and hands-on course designed to give everyone the opportunity to record and produce music that they bring home on a cd.

**Session 3: July 10th - 14th** 9 am - 1 pm

### Cartooning

Campers will learn to use shapes and lines to create their very own cartoon characters under the guidance and assistance of the head instructor. Campers will practice different techniques and tools while learning to live up their drawings with action and emotion. Let your child's creativity soar as they are challenged to create original characters of their choice! As a result of this class, campers will receive a published version of their favorite comic, along with all of their finished creations.

**Session 7: August 7th - 11th** 9 am - 1 pm

### CSI

In this fun-filled, educational workshop, campers are summoned to various staged crime scenes where they will participate in gathering evidence and concluding activities in hopes to solve the crime. Along with fellow investigators, campers will use biology, chemistry, mathematics and deductive reasoning to weigh evidence and apply findings in the quest to find the culprit. Participants will learn how to collect and analyze fingerprints, lip prints and shoe prints, in addition to conducting hair and hand writing analysis. Campers will be challenged to identify mystery powders and solutions, more to solve the crime!

**Session 3: July 10th - 14th** 1 pm - 4 pm

**Session 5: July 24th - 28th** 9 am - 1 pm

- Conveniently located on the beautiful and historic Lauralton Hall campus, your camper will be taught by qualified adults in our air-conditioned facilities while maintaining a 1:4 counselor to student ratio.
- Because we understand the mornings can be busy, we offer hot lunch and a snack bar open daily for your convenience. We also have a lunch bunch where your child receives lunch and snack while they are at camp!
- Our teachers are dedicated professionals who are either certified teachers, or are working on their teaching degree, or are pursuing a degree in the course of their designation. All of our counselors are college students and they must undergo extensive training, background checks, in addition to working as a CIT for a minimum of 100 hours prior to their application for enrollment. All of our teachers, counselors, nurses, CITs are highly motivated, and are invested not only in the success of their camps, but also modeling their own passion in the content of their camps!
- All of our classes have a minimum enrollment of 10 campers. If this minimum is not met, we will notify you and provide you with alternative courses for you and your student's selection! Each camp also has a maximum enrollment, so don't miss out our amazing classes and sign up electronically today!
- We are a completely **NUT FREE** camp and ask for the safety of all our students that you do not send your child to camp with any nut products.

# ABOUT OUR CAMPS

## Coding and Programming

Are you ready for the technology driven future? Do you know how many careers will require technological expertise? In this NEW course, campers will be given a head start on these sought-after skills. Campers will program using block coding and will be able to create design character movements with mini applications. Campers will also learn to use varied cloud based Google applications which are wonderful tools for future scholastic and other endeavors! Finally, all campers will have the opportunity to try their hand at building their own website.

**Session 1: June 26th -30th** 9 am - 1 pm

## Creative Cupcake

Not only will campers learn some great recipes through this NEW course, their creativity will be put to the test to create new and unique treats based on the different daily challenges. Just one of the perks of this class: the cupcakes and frosting concoctions are brought home daily to share! At the end of the week, campers will go home with a personalized cookbook along with some of their peers' top-rated recipes!

**Session 1: June 26th -30th** 9 am - 1 pm

**Session 3: July 10th - 14th** 1 pm - 4 pm

## DIY Designs

Campers will be challenged to create a variety of art projects following the simple designs! Campers will design their own tee shirts, decorative pieces and so much more! This camp is guaranteed to satisfy those crafty at heart!

**Session 1: June 26th - 30th** 1 pm - 4 pm

**Session 4: July 17th - 21st** 1 pm - 4 pm

## Escape the Room!

In this NEW and exciting program, campers will participate in a live action team based games where they discover clues, solve puzzles and accomplish tasks in one or more rooms to accomplish a specific goal! This program is guaranteed fun and will help foster your campers creativity, problem solving skills, and communication skills! Campers will attempt to "escape" puzzles daily and will even create their own for their families to try to escape at the end of the week!

**Session 5: July 24th - 28th** 1 pm - 4 pm

**Session 6: July 31st - August 4th** 9 am - 1 pm

## Engineering Challenge

In this NEW inquiry based course, campers will explore the fascinating yet practical world of mechanical, electrical and civil engineering. Working in our NEW innovation lab, campers will work individually, as well as collaborate with their peers using 3D printers, doodle pens and so much more to create solutions to real world problems, build prototypes and working models, and then testing them in engineering challenges.

**Session 4: July 17th - 21st** 9 am - 1 pm

**Session 7: August 7th - 11th** 9 am - 1 pm

## Intermediate Art

In this class, campers will be challenged both creatively and critically. Each day, your camper will complete a different project that emphasizes the new acquired techniques. Students will work on advancing their skills while focusing on their creativity and will be challenged to use a variety of different materials to create their own masterpieces which will be brought home at the end of the week!

**Session 3: July 10th - 14th** 9 am - 1 pm

## International Cooking

Through this weeklong course, chefs will learn a variety of different cuisines from around the world! Campers will learn about different spices and ingredients while also being exposed to a variety of cultures. Your child will leave our course not only with the skills and confidence in the kitchen, yet also with a cookbook full of our recipes and decorate a serving dish!

**Session 2: July 3rd - 7th** 9 am - 1 pm

## Journalism

Through this exciting class, campers will explore the fast paced world of reporting the news through writing and other forms of the media. Your child will analyze newspapers, brainstorm article ideas, learn the art of interviewing and research and write articles on topics of interest. At the end of the week, the class will publish their own newspaper and bring it home to share with the family!

**Session 4: July 17th - 21st** 9 am - 1 pm

## Just Desserts

Does your child enjoy baking and decorating cakes and cupcakes? Through this course, campers will make a variety of delicious baked goods, from scones, cakes, breads, cupcakes, cookies and more! Your child will also learn how to make homemade frostings and will experience a wide variety of flavors and combinations! Campers will also be exposed to a variety of techniques and different recipes. Your child will come home daily with delicious treats along with a personalized cookbook!

**Session 5: July 24th - 28th** 1 pm - 4 pm

## Photography 101

This NEW course will help campers learn how to take the perfect picture using phones and digital cameras. Learning how to manipulate their images, campers will learn how to edit photos guaranteed to get likes. Campers should bring their own cameras and cell phones daily for use.

## Fun for All Ages

### Amazing Race (2nd - 8th graders)

In this thrilling course, campers will compete around the beautiful 30 acres of the Lauralton Hall campus. Inspired by the popular television show, campers will work collaboratively to complete group challenges focusing on problem solving techniques. Campers will learn leadership skills through this unique course!

**Session 3: July 10th - 14th** 1 pm - 4 pm

**Session 5: July 24th - 28th** 1 pm - 4 pm

### Cross Country (4th - 8th graders)

This camp centers on training and workouts that are catered to beginner and younger runners. Runners will spend time learning how to properly warm up and cool down. They will learn a wide variety of drills and routines in addition to cross-training plans to supplement their running. Campers will learn about injury prevention, general strength and conditioning as well as basic training theology. Permission form required to run off campus under the supervision of the head instructor and counselors.

**Session 4: July 17th - 21st** 9 am - 1 pm

**Session 6: July 31st - August 4th** 9 am - 1 pm

### Crusader's Basketball (4th - 8th graders)

This co-ed camp will provide your athlete with the knowledge and instruction to become a better player, working on offensive and defensive skills such as dribbling, passing and shooting, in a fun and safe environment through a variety of drills, mini-games, activities and scrimmages, while providing individualized instruction.

**Session 6: July 31st - August 4th** 9 am - 1 pm

### Dance Expressions

(K - 2nd, 3rd - 5th and 6th - 8th)

In this NEW course, campers will improve technique, learn and create dance choreography for performance! This CO-ED camp will provide all campers with the opportunity to express themselves through creative and technical dance forms such as Ballet, Contemporary, Jazz/Hip-Hop, Lyrical, and Cultural Dance. Campers will improve their flexibility, strength, and basic tumbling skills throughout the camp while having a fun and motivating experience! Topics covered in each camp will be modified to be age appropriate for the group. At the end of the week, campers will perform for their families on the Lauralton Hall stage!

**6th - 8th graders**

**Session 1: June 26th - 30th** 9 am - 1 pm

**K - 3rd graders**

**Session 3: July 10th - 14th** 1 pm - 4 pm

**6th - 8th graders**

**Session 4: July 17th - 21st** 9 am - 1 pm

**3rd - 5th graders**

**Session 5: July 24th - 28th** 9 am - 1 pm

**3rd - 5th graders**

**Session 7: August 7th - 11th** 9 am - 1 pm

### Everything Art (K - 3rd graders)

Campers will be provided opportunities to express themselves through clay modeling, paper mache, painting and much more. Projects differ weekly to keep your camper interested and engaged for a full summer of fun!

**Session 1: June 26th - 30th** 9 am - 1 pm

### Fun With Fitness (K - 3rd graders)

Designed for the child who loves to play! This NEW course allows campers to learn a variety of new games and activities that will help develop hand eye coordination, collaborative skills, and so much more! Campers are guaranteed a week long of fun playing games!

**Session 2: July 3rd - 7th** 1 pm - 4 pm

**Session 6: July 31st - August 4th** 1 pm - 4 pm

### Game Show Mania (2nd - 8th graders)

Jeopardy. Family Feud. Minute to Win it. These are just some of the great challenges campers will face in this camper favored course. Campers will learn how to collaborate with peers to solve different obstacles, puzzles and games based on popular TV Shows. Guaranteed FUN!

**Session 6: July 31st - August 4th** 1 pm - 4 pm

### Girls Club (K - 6th graders)

Back by popular demand, this exciting course allows your camper to embrace her inner girl. She'll make bracelets, headbands and other crafts to showcase her creativity and independence. This empowering camp will provide young ladies the opportunity to express themselves and allow their confidence to grow!

**Session 1: June 26th - 30th** 1 pm - 4 pm

**Session 6: July 31st - August 4th** 1 pm - 4 pm

### Intro to Field Hockey (5th grade and up)

This program will introduce the competitive sport of field hockey to your daughter, with the objective of teaching her the fundamental skills of the game, including dribbling, shooting and defending. Your daughter will gain the experience and confidence to try out for this exciting sport! While working in age appropriate groups, your daughter will gain the knowledge and skills while working on team building and sportsmanship. Through drills, activities and mini games will be played on Lauralton Hall's brand new turf field! Students will need to bring their own equipment: stick, mouth guard and protective eye gear.

**Session 3: July 10th - 14th** 1 pm - 4 pm

### Intro to Volleyball (4th - 8th graders)

Sign up your child today for the course that allows them to try out a new and exciting sport of Volleyball. Campers will be instructed through age appropriate groups on proper techniques through a variety of drills, activities and games! Allow your child the opportunity to gain experience and confidence in exciting sport!

**Session 5: July 24th - 28th** 9 am - 1 pm

### Jewelry (3rd - 8th graders)

Allow our educated instructors to teach your child a wide range of exciting projects from resin, paper & wool felted beads, hair jewelry, wire work and so much more! Your camper will make a variety of original beads and beautiful pieces of jewelry!

**Session 5: July 24th - 28th** 1 pm - 4 pm

**Session 7: August 7th - 11th** 9 am - 1 pm

### Kids with Canvas (3rd - 8th graders)

This popular course will give your camper a step by step instruction to create masterpieces of their own. Each camper will work on a variety of paintings throughout the week. On Friday, campers will bring home their own canvas creations.

**Session 2: July 3rd - 7th** 9 am - 1 pm

**Session 5: July 24th - 28th** 9 am - 1 pm

### Lauralton Olympics (2nd - 8th graders)

Back by POPULAR demand, your camper won't want to miss out on this exciting course that centers around a competition in a variety of games and challenges! Counselors will play with the campers who will create a team name and tee shirt. Teams will compete throughout the week in different events! A guaranteed fun time for all those who love games!

**Session 2: July 3rd - 7th** 1 pm - 4 pm

**Session 7: August 7th - 11th** 9 am - 1 pm

### Lax for Girls (5th grade and up)

This program will be supervised and instructed by highly qualified players with the support of the Lauralton Hall team with the objective of teaching your daughter the fundamental skills of the game. Through drills, activities and mini games, your daughter will work in age appropriate groups to improve skills and build confidence. Each participant will need to bring her own equipment: stick, mouth guard and protective eye gear.

**Session 2: July 3rd - 7th** 9 am - 1 pm

### Mini Crusaders Basketball (K - 3rd grade)

This co-ed camp will provide your little athlete with instruction from some of the talented coaching staff and former members of the Lauralton Hall Basketball program. Campers will be placed in age appropriate groups to further their basketball skills. Your athlete will be introduced to the fundamental skills as dribbling, passing and shooting through a variety of drills, mini-games, activities and scrimmages.

**Session 1: June 26th - 30th** 9 am - 1 pm

### Mix it Up (K - 8th graders)
